- painting apartment

- 〈1〉 Dear Mr. Spencer, I will have lived in this apartment for ten years as of this coming April.
- 〈2〉 I have enjoyed living here and hope to continue doing so.
- 〈3〉 When I first moved into the Greenfield Apartments, I was told that the apartment had been recently painted.
- 〈4〉 Since that time, I have never touched the walls or the ceiling.
- 〈5〉 Looking around over the past month has made me realize how old and dull the paint has become.
- 〈6〉 I would like to update the apartment with a new coat of paint.
- 〈7〉 I understand that this would be at my own expense, and that I must get permission to do so as per the lease agreement.
- 〈8〉 Please advise at your earliest convenience.
- 〈9〉 Sincerely, Howard Jame

- Asking to change the recipe

① Dear Mr. Reese, few days ago, I submitted my application and recipe for the 2nd Annual DC Metro Cooking Contest.

② However, I would like to change my recipe if it is possible.

③ I have checked the website again, but I could only find information about the contest date, time, and prizes.

④ I couldn't see any information about changing recipes.

⑤ I have just created a great new recipe, and I believe people will love this more than the one I have already submitted.

⑥ Please let me know if I can change my submitted recipe.

⑦ I look forward to your response.

⑧ Best Regards, Sophia Walker

- Problems with snow removal

- <1> Dear People, This is our first winter in Fairview.
- <2> So far your department's work in removing the snow from the main streets and highways has been very efficient.
- <3> But for whatever reason, the snowplow drivers seem to have decided to deposit much of the snow from up the street in the small cutout that leads to our driveway.
- <4> Both times we had to dig through a wall of snow left by the plows.
- <5> This morning, I was unable to get out of my driveway in time to get the children to school, and had to ask a neighbor for help.
- <6> I want to set up a meeting with a supervisor at your department to discuss the situation and find a better solution for snow removal in this neighborhood.
- <7> Please call me at the number listed on this letter.
- <8> Sincerely, Karen Diamon

- a streetlight too bright

① Dear Chairperson, I came home tonight to one of your LED streetlights in front of my home.

② This daytime-like light is super bright and fills my house with unnecessary light at night.

③ It also pollutes the night sky and washes out any chance of seeing stars—one of the reasons I moved here from the city.

④ I am incredibly disappointed that the town council installed these at great cost without any public consultation.

⑤ No one asked me if I wanted stadium grade lighting in front of my house.

⑥ This is another example of city politicians solving problems that don't exist at great expense to taxpayers.

⑦ Thanks to this new artificial sun, my house is filled with bright light and I'm emailing you, unable to sleep, and contemplating new curtains to keep this piercing light out of my face.

- year-end and New Year's travel plans

NEW
YEAR

〈1〉 Dear Cindy, As always, I am writing to wish all of you the best for the coming year.

〈2〉 This time, though, there is a change; we will not be hosting a New Year's party at our home.

〈3〉 As I'm sure you all know, George has been undergoing chemotherapy for the past few months and is just now beginning to regain his strength.

〈4〉 Happily, it appears that he is on the road to recovery.

〈5〉 Several months ago we made the decision that as soon as he was able we were going to head somewhere warm and different.

〈6〉 And so we have booked a two-week cruise to South America that will leave in mid-December and return after January 1.

〈7〉 We promise to extend a toast to all of you and hope that you and your family enjoy much happiness and good fortune in the New Year.

〈8〉 Fondly, Jenn

- water saving

❶ The Village of Belleville water system has experienced excessive consumption in the last several weeks.

❷ That, coupled with the ongoing extreme heat and lack of rain, has caused an increase in water consumption for outdoor activities including pool filling and lawn, yard and garden care.

❸ A steady decline in the water level in our reservoir has triggered this notice.

❹ Customers are hereby requested to conserve water.

❺ Conservation methods include refraining from car washing, swimming pool filling, lawn watering as well as limiting laundry washing and any unnecessary water use.

❻ For more information, you may contact Mr. Thomas Compo or Mr. Rich Ross of the Village of Belleville.
